“Whatsoever You Do”

From the Principal’s Desk

Thank you for making the Affy Tapple sale a huge success! It appears that the profits will reach approximately \$2,000! This money will be used to pay for a variety of technology needs including anti-virus protection software renewals for classroom computers and the server, filtering software, and maintenance and repairs of computers. Each child in the school benefits! Remember that pick up is on Thursday, October 22, from 3 to 6 p.m. Bring your volunteer card along to get credit for each case sold. Watch for announcements on top sellers and top class.

Part of your student fee that you pay at the beginning of the school year goes toward technology (\$20). If you have a child in 3rd through 8th grade, a portion of that fee goes toward SnapGrades. SnapGrades is an on-line grading program. Teachers post grades on-line and parents can view grades on-line. This can be a useful tool for tracking student performance and missing assignments. All parents of 3rd through 8th graders should have received information on accessing student grades. If you did not receive this information, please contact your child’s teacher. This is the first year that all 3rd through 8th grades teachers are using SnapGrades. Please let us know how you like it.

If you haven’t signed up to help at the Rummage Sale (Saturday), it is not too late. Come between 8:00 and 1:00, and we will put you to work! The proceeds from the Rummage Sale go to the P.T.L. The P.T.L. spends the money on your child—assemblies, activities, equipment, etc. Please support the P.T.L. in the endeavor. You’ll be rewarded with service hour credit and the satisfaction of a job well done.

Enjoy the fall colors...

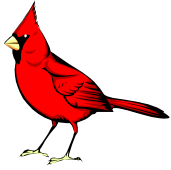

In Christ,
Lana J. Hahn

HELP WANTED!!!!

Mrs. Hahn is looking for a parent to coordinate this year’s fall book fair. The coordinator puts up posters advertising the event, solicits volunteers to cover times when the fair is open, solicits volunteers to help with the set up of the fair, tracks financial aspects, and solicits volunteers to help with the tear down of the fair. The dates for the book fair are 11/10 through 11/13. Service hours are available for volunteers.

If you think you might be interested in being the coordinator, but you need more information, please feel free to Mrs. Hahn. She has coordinated our last eight book fairs so she can definitely fill you in.

“Whatever You Do”

The Week That Was

The Lady Cardinals returned to the court this past Tuesday when they traveled to Itasca to face the Raiders. After a seven day lay-off, it took a few minutes to shake off the rust. The Lady Cardinals found their stride and won game one 25-22. Games two and three were both hotly contested but unfortunately went the way of the Raiders. Even in defeat, the Lady Cardinals found a good rhythm and played some of their best volleyball. Now, it's off to the Walther Tournament this weekend. Check back next week for all the tournament news and results.
