“Whatsoever You Do”

From the Principal’s Desk

Mid-term progress reports were distributed this week. Did you spend time going over them with your child? Did you applaud areas of success? Did you help your child make goals to improve as needed? Evaluation is not meant to be viewed and forgotten. If that were the case, it would be useless. Evaluation is the tool by which we grow and improve!

Parents, take a few minutes to give yourself a mid-term (and mid-year) review. I ask you to look at two areas. First, take a look at your spiritual well being. Are you regular in your worship attendance, Bible study, and prayer life? Is there room for improvement? Get started and set goals! Secondly, take a look at your involvement in your child’s education. Studies indicate that parental involvement is the key to student achievement. Are you involved? How are you doing on those volunteer hours? Many families have completed their hours (plus many extras). Some families are half way there (a good place to be half way through the year). Others have not yet started and have some catching up to do.

We are in this together. May God bless our efforts as we seek to give our children opportunities to grow academically, socially, and spiritually.

In Christ,

Lana J. Hahn

The Week That Was

The Lady Cardinals had another strong week as they head towards the LaGrange Tournament. Last Friday they remained perfect at home, when they welcomed Walther Academy. Keyed by their defense, the Lady Cardinals opened the game with a 10-0 run and cruised to a 32-8 victory. On Tuesday, Trinity, Lombard paid a visit to Hillside. The Lady Cardinals jumped to an early 11-2 lead and never let it go. The final was 30-21. These games were a perfect lead in to the tournament. Everyone got playing time and time was available to address and correct imperfections. Check back next week for the tournament results and any breaking news.
